PAVOT CENTER PIECE
Designed by *Colin King Studio*

With a brown bronzed finish that adds a rich, vintage character, the Pavot Centrepiece blends modern minimalism with traditional charm. The design draws inspiration from the delicate form of a poppy seed head, subtly reflected in the shape of its footed base. Soft curves and an elongated silhouette evoke a sense of timeless elegance. As a decorative object or catch-all vessel for everyday objects, its sculptural form makes it a striking focal point for any surface.
