

REFLEX stool

Designed by Akiko Ken Made

REFLEX stool

REFLEX is formed by repeating one simple shape eight times, resulting in a stool that's equally stable and expressive.

Material: Solid oak available in three different finishes: natural oil, black stained lacquer and smoked oil.

Outdoor use: No

Tests: L1 for contract use

Seat depth: 450 mm

Weight: 4,3 kg

Made in Lithuania, CE

Cleaning and care

Matt lacquered stools can be cleaned with a soft dry cloth or a damp cloth with mild soap, then dried immediately. Oiled versions may require occasional re-oiling to restore softness and color. Always use suitable wood oil and follow care instructions.
